

# CEPA 21

## TEMPRANILLO 'HITO'

*Ribera del Duero, Spain*

AB +754061 BC +641738 6x750ML

### 90 POINTS, WINE SPECTATOR (2019)

"Velvety tannins edge this fresh and focused red, with black cherry and bramble fruit flavors interwoven with graphite, tea and anise details. A touch of cocoa gives some richness to the finish. Drink now through 2025."

**VINEYARDS:** Produced from grapes selected from the vines located at the lowest area of Cepa 21's vineyard, grafted with the Tinto Fino clone from the most emblematic vineyards of Bodegas Emilio Moro.

**WINEMAKING:** Produced from grapes selected from the vines located at the lowest area of our vineyard, fermented at a controlled temperature in stainless steel deposits for 30 days and aged in French oak barrels.

**TASTING NOTES:** A very lively dark cherry red colour. Intense and honest on the nose, where the varietal aromas of the Tempranillo at its optimum point of ripeness predominate. Subtle hints of aging appear in the background as well-integrated spiced and toasted notes. In the mouth it has body and length, balanced acidity and good persistence.
