DOMAINE DE LA BÉGUDE 'CADET DE LA BÉGUDE'

Méditerranée IGP

90 points, Wine Enthusiast (2020)

"This is like a second wine for the estate. A generous wine, it is ripe with black fruits that are sustained by tannins and fragrant aromas. It has warmth, density and an evocative, herbal aftertaste."

Grapes: Mourvèdre 35% Grenache 35% Cinsault 30%

Vineyards: Young vines, average of 10 years old. Clay and limestone soils. No weed killers, pesticides or chemical fertilizers, Certified Organic by Ecocert label. The particularity of la Bégude is its extraordinary diversity of soils and expositions. This mosaic of vines remind us of a colour pallet for an artist. It's surrounded by olive trees and the Mediterranean forest caring heavy scents of garrigue.

Winemaking: Double sorting, total de-stemming, pressing of berries and long maceration. Aging in stainless steel vats to favour the fruit. Gentle filtration before bottling.

Tasting Notes: Bright garnet colour. Aromas of black cherries, notes of menthol and spices. On the palate, harmonious and fruity with a spicy and warm finish, on elegant tannins.
